

Lampiran 3. Daftar jenis Avifauna yang terdapat di Hutan Harapan PT. REKI

| No. | Family | Nama Indonesia | Nama Ilmiah | UU (PP NO. 7 th.1999) | CITES | IUCN |
|-----|--------------|--------------------------|----------------------------------|-----------------------|-------------|------|
| 1 | Ardeidae | Kokokan laut | <i>Butorides striata</i> | | | |
| 2 | Ardeidae | Kowak Melayu | <i>Gorsachius melanolophus</i> | | | |
| 3 | Ardeidae | Kuntul perak | <i>Ardea intermedia</i> | √ | | |
| 4 | Ardeidae | Kuntul karang | <i>Egretta sacra</i> | √ | | |
| 5 | Ciconiidae | Bangau storm | <i>Ciconia stormi</i> | √ | | EN |
| 6 | Ciconiidae | Bangau Tongtong | <i>Leptoptilos javanicus</i> (*) | √ | | VU |
| 7 | Ciconiidae | Bangau sandang-lawe | <i>Ciconia episcopus</i> | √ | | |
| 8 | Anatidae | Belibis batu | <i>Dendrocygna javanica</i> | | | |
| 9 | Accipitridae | Baza jerdon | <i>Aviceda jerdoni</i> | √ | Apendiks II | |
| 10 | Accipitridae | Baza hitam | <i>Aviceda leuphotes</i> | √ | Apendiks II | |
| 11 | Accipitridae | Sikep-madu Asia | <i>Pernis ptilorhynchus</i> | √ | Apendiks II | |
| 12 | Accipitridae | Elang tikus | <i>Elanus caeruleus</i> | √ | Apendiks II | |
| 13 | Accipitridae | Elang-ikan kepala-kelabu | <i>Ichthyophaga ichthyaetus</i> | √ | Apendiks II | NT |
| 14 | Accipitridae | Elang-ikan kecil | <i>Ichthyophaga humilis</i> | √ | Apendiks II | NT |
| 15 | Accipitridae | Elang-ular bido | <i>Spilornis cheela</i> | √ | Apendiks II | |
| 16 | Accipitridae | Elang-alap jambul | <i>Accipiter trivirgatus</i> | √ | Apendiks II | |
| 17 | Accipitridae | Elang hitam | <i>Ictinaetus malayensis</i> | √ | Apendiks II | |
| 18 | Accipitridae | Elang perut-karat | <i>Lophotriorchis kienerii</i> | √ | Apendiks II | |
| 19 | Accipitridae | Elang brontok | <i>Nisaetus cirrhatus</i> | √ | Apendiks II | |
| 20 | Accipitridae | Elang gunung | <i>Nisaetus alboniger</i> | √ | Apendiks II | |
| 21 | Accipitridae | Elang Wallace | <i>Nisaetus nanus</i> | √ | Apendiks II | VU |
| 22 | Accipitridae | Elang Kelelawar | <i>Macheiramphus alcinus</i> (*) | √ | Apendiks II | |

| | | | | | | |
|----|--------------|----------------------|----------------------------------|---|-------------|----|
| 23 | Accipitridae | Elang Paria | <i>Milvus migrans</i> (***) | √ | Apendiks II | |
| 24 | Falconidae | Alap-alap capung | <i>Microhierax fringillarius</i> | √ | Apendiks II | |
| 25 | Falconidae | Alap-alap kawah | <i>Falco peregrinus</i> | √ | Apendiks I | |
| 26 | Phasianidae | Puyuh siul-selanting | <i>Rhizothera longirostris</i> | | | NT |
| 27 | Phasianidae | Puyuh tarun-tarun | <i>Caloperdix oculeus</i> | | | NT |
| 28 | Phasianidae | Puyuh sengayan | <i>Rollulus rouloul</i> | | | NT |
| 29 | Phasianidae | Sempidan merah | <i>Lophura erythrophthalma</i> | | | VU |
| 30 | Phasianidae | Sempidan biru | <i>Lophura ignita</i> | | | NT |
| 31 | Phasianidae | Ayam-hutan merah | <i>Gallus gallus</i> | | | |
| 32 | Phasianidae | Kuau raja | <i>Argusianus argus</i> | √ | Apendiks II | NT |
| 33 | Turnicidae | Gemak loreng | <i>Turnix suscitator</i> | | | |
| 34 | Rallidae | Kareo padi | <i>Amaurornis phoenicurus</i> | | | |
| 35 | Rallidae | Tikusan ceruling | <i>Rallina fasciata</i> (****) | | | |
| 36 | Scolopacidae | Trinil pantai | <i>Actitis hypoleucos</i> | | | |
| 37 | Columbidae | Punai lengguak | <i>Treron curvirostra</i> | | | |
| 38 | Columbidae | Punai kecil | <i>Treron olax</i> | | | |
| 39 | Columbidae | Punai gading | <i>Treron vernans</i> | | | |
| 40 | Columbidae | Punai besar | <i>Treron capellei</i> | | | VU |
| 41 | Columbidae | Walik jambu | <i>Ptilinopus jambu</i> | | | NT |
| 42 | Columbidae | Walik kepala-ungu | <i>Ptilinopus porphyreus</i> | | | |
| 43 | Columbidae | Pergam hijau | <i>Ducula aenea</i> | | | |
| 44 | Columbidae | Pergam gunung | <i>Ducula badia</i> | | | |
| 45 | Columbidae | Tekukur biasa | <i>Stigmatopelia chinensis</i> | | | |
| 46 | Columbidae | Perkutut jawa | <i>Geopelia striata</i> | | | |

| | | | | | | |
|----|-------------|--------------------|------------------------------------|--|-------------|----|
| 47 | Columbidae | Delimukan zamrud | <i>Chalcophaps indica</i> | | | |
| 48 | Psittacidae | Betet ekor-panjang | <i>Psittacula longicauda</i> | | Apendiks II | NT |
| 49 | Psittacidae | Nuri tanau | <i>Psittinus cyanurus</i> | | Apendiks II | NT |
| 50 | Psittacidae | Serindit Melayu | <i>Loriculus galgulus</i> | | Apendiks II | NT |
| 51 | Cuculidae | Bubut-pacar jambul | <i>Clamator coromandus</i> | | | |
| 52 | Cuculidae | Kangkok besar | <i>Cuculus sparverioides</i> | | | |
| 53 | Cuculidae | Kangkok Melayu | <i>Cuculus fugax</i> | | | |
| 54 | Cuculidae | Kangkok India | <i>Cuculus micropterus</i> | | | |
| 55 | Cuculidae | Kangkok ranting | <i>Cuculus saturatus</i> | | | |
| 56 | Cuculidae | Wiwik lurik | <i>Cacomantis sonneratii</i> | | | |
| 57 | Cuculidae | Wiwik kelabu | <i>Cacomantis merulinus</i> | | | |
| 58 | Cuculidae | Wiwik uncuing | <i>Cacomantis sepulcralis</i> | | | |
| 59 | Cuculidae | Kedasi ungu | <i>Chrysococcyx xanthorhynchus</i> | | | |
| 60 | Cuculidae | Kedasi hitam | <i>Surniculus lugubris</i> | | | |
| 61 | Cuculidae | Kadalan beruang | <i>Phaenicophaeus diardi</i> | | | NT |
| 62 | Cuculidae | Kadalan saweh | <i>Phaenicophaeus sumatranus</i> | | | NT |
| 63 | Cuculidae | Kadalan selaya | <i>Phaenicophaeus chlorophaeus</i> | | | |
| 64 | Cuculidae | Kadalan kembang | <i>Phaenicophaeus javanicus</i> | | | |
| 65 | Cuculidae | Kadalan birah | <i>Phaenicophaeus curvirostris</i> | | | |
| 66 | Cuculidae | Kadalan nera | <i>Phaenicophaeus tristis</i> | | | |
| 67 | Cuculidae | Bubut teragop | <i>Centropus rectunguis</i> | | | VU |
| 68 | Cuculidae | Bubut besar | <i>Centropus sinensis</i> | | | |
| 69 | Cuculidae | Bubut alang-alang | <i>Centropus bengalensis</i> | | | |
| 70 | Tytonidae | Serak bukit | <i>Phodilus badius</i> | | Apendiks II | |

| | | | | | | |
|----|---------------|----------------------------|-----------------------------------|--|-------------|----|
| 71 | Strigidae | Beluk jampuk | <i>Bubo sumatranus</i> | | Apendiks II | |
| 72 | Strigidae | Beluk ketupa | <i>Ketupa ketupu</i> | | Apendiks II | |
| 73 | Strigidae | Punggok coklat | <i>Ninox scutulata</i> | | Apendiks II | |
| 74 | Strigidae | Kukuk beluk | <i>Strix leptogrammica</i> | | Apendiks II | |
| 75 | Strigidae | Celepuk merah | <i>Otus rufescens</i> | | Apendiks II | NT |
| 76 | Strigidae | Celepuk reban | <i>Otus bakkamoena</i> | | Apendiks II | |
| 77 | Podargidae | Paruh-kodok besar | <i>Batrachostomus auritus</i> | | | NT |
| 78 | Podargidae | Paruh-kodok bintang | <i>Batrachostomus stellatus</i> | | | NT |
| 79 | Podargidae | Paruh-kodok Jawa | <i>Batrachostomus javensis</i> | | | |
| 80 | Podargidae | Paruh-kodok tanduk | <i>Batrachostomus cornutus</i> | | | |
| 81 | Caprimulgidae | Taktarau Melayu | <i>Eurostopodus temminckii</i> | | | |
| 82 | Caprimulgidae | Cabak maling | <i>Caprimulgus macrurus</i> | | | |
| 83 | Caprimulgidae | Cabak kota | <i>Caprimulgus affinis</i> | | | |
| 84 | Apodidae | Walet sarang-putih | <i>Collocalia fuciphaga</i> | | | |
| 85 | Apodidae | Walet sarang-hitam | <i>Collocalia maxima</i> | | | |
| 86 | Apodidae | Walet sapi | <i>Collocalia esculenta</i> | | | |
| 87 | Apodidae | Walet linci | <i>Collocalia linchi</i> | | | |
| 88 | Apodidae | Kepinis-jarum pantat-putih | <i>Hirundapus cochinchinensis</i> | | | |
| 89 | Apodidae | Kapinis-jarum gedang | <i>Hirundapus giganteus</i> | | | |
| 90 | Apodidae | Kapinis-jarum kecil | <i>Rhaphidura leucopygialis</i> | | | |
| 91 | Apodidae | Kapinis laut | <i>Apus pacificus</i> | | | |
| 92 | Apodidae | Kapinis rumah | <i>Apus nipalensis</i> | | | |
| 93 | Apodidae | Walet-palem Asia | <i>Cypsiurus balasiensis</i> | | | |
| 94 | Hemiprocnidae | Tepekong jambul | <i>Hemiprocne longipennis</i> | | | |

| | | | | | | |
|-----|---------------|------------------------|-----------------------------------|---|-------------|----|
| 95 | Hemiprocnidae | Tepekong rangkang | <i>Hemiprocne comata</i> | | | |
| 96 | Trogonidae | Luntur kasumba | <i>Harpactes kasumba</i> | √ | | NT |
| 97 | Trogonidae | Luntur Diard | <i>Harpactes diardii</i> | √ | | NT |
| 98 | Trogonidae | Luntur tunggir-coklat | <i>Harpactes orrhophaeus</i> | √ | | NT |
| 99 | Trogonidae | Luntur putri | <i>Harpactes duvaucelii</i> | √ | | NT |
| 100 | Trogonidae | Luntur harimau | <i>Harpactes oreskios</i> | √ | | |
| 101 | Alcedinidae | Raja-udang meninting | <i>Alcedo meninting</i> | √ | | |
| 102 | Alcedinidae | Raja udang Erasia | <i>Alcedo atthis (***)</i> | √ | | |
| 103 | Alcedinidae | Raja-udang kalung biru | <i>Alcedo peninsulae</i> | √ | | NT |
| 104 | Alcedinidae | Udang api | <i>Ceyx erithaca</i> | √ | | |
| 105 | Alcedinidae | Udang-punggung merah | <i>Ceyx rufidorsa</i> | √ | | |
| 106 | Alcedinidae | Pekaka emas | <i>Pelargopsis capensis</i> | √ | | |
| 107 | Alcedinidae | Cekakak batu | <i>Lacedo pulchella</i> | √ | | |
| 108 | Alcedinidae | Cekakak belukar | <i>Halcyon smyrnensis</i> | √ | | |
| 109 | Alcedinidae | Cekakak-hutan melayu | <i>Actenoides concretus</i> | √ | | NT |
| 110 | Alcedinidae | Cekakak sungai | <i>Todiramphus chloris</i> | √ | | |
| 111 | Meropidae | Kirik-kirik senja | <i>Merops leschnaulti</i> | | | |
| 112 | Meropidae | Kirik-kirik laut | <i>Merops philippinus</i> | | | |
| 113 | Meropidae | Kirik-kirik biru | <i>Merops viridis</i> | | | |
| 114 | Meropidae | Cirik-cirik kumbang | <i>Nyctyornis amictus</i> | | | |
| 115 | Coraciidae | Tiong-lampu biasa | <i>Eurystomus orientalis</i> | | | |
| 116 | Bucerotidae | Enggang klihingan | <i>Anorrhinus galeritus</i> | √ | Apendiks II | |
| 117 | Bucerotidae | Enggang jambul | <i>Berenicornis comatus</i> | √ | Apendiks II | NT |
| 118 | Bucerotidae | Julang jambul-hitam | <i>Rhabdotorrhinus corrugatus</i> | √ | Apendiks II | NT |

| | | | | | | |
|-----|---------------|------------------------|----------------------------------|---|-------------|----|
| 119 | Bucerotidae | Julang emas | <i>Rhyticeros undulatus</i> | √ | Apendiks II | |
| 120 | Bucerotidae | Kangkareng hitam | <i>Anthracoceros malayanus</i> | √ | Apendiks II | NT |
| 121 | Bucerotidae | Kangkareng perut-putih | <i>Anthracoceros albirostris</i> | √ | Apendiks II | |
| 122 | Bucerotidae | Rangkong badak | <i>Buceros rhinoceros</i> | √ | Apendiks II | NT |
| 123 | Bucerotidae | Rangkong gading | <i>Rhinoplax vigil</i> | √ | Apendiks I | NT |
| 124 | Megalaimidae | Takur gedang | <i>Psilopogon chrysopogon</i> | | | |
| 125 | Megalaimidae | Takur tutut | <i>Psilopogon rafflesii</i> | | | NT |
| 126 | Megalaimidae | Takur warna-warni | <i>Psilopogon mystacophanos</i> | | | NT |
| 127 | Megalaimidae | Takur topi-emas | <i>Psilopogon henricii</i> | | | NT |
| 128 | Megalaimidae | Takur tenggeret | <i>Psilopogon australis</i> | | | |
| 129 | Megalaimidae | Takur ungu-ungku | <i>Psilopogon haemacephala</i> | | | |
| 130 | Megalaimidae | Takur ampis | <i>Caloramphus fuliginosus</i> | | | |
| 131 | Indicatoridae | Pemandu-lebah Asia | <i>Indicator archipelagicus</i> | | | NT |
| 132 | Picidae | Tukik tikus | <i>Sasia abnormis</i> | | | |
| 133 | Picidae | Tukik belang | <i>Picumnus innominatus</i> | | | |
| 134 | Picidae | Pelatuk kijang | <i>Celeus brachyurus</i> | | | |
| 135 | Picidae | Pelatuk sayap-merah | <i>Picus puniceus</i> | | | |
| 136 | Picidae | Pelatuk jambul kuning | <i>Picus chlorolophus</i> | | | |
| 137 | Picidae | Pelatuk kumis kelabu | <i>Picus mentalis</i> | | | |
| 138 | Picidae | Pelatuk merah | <i>Picus mineaceus</i> | | | |
| 139 | Picidae | Pelatuk besi | <i>Dinopium javanense</i> | | | |
| 140 | Picidae | Pelatuk raffles | <i>Dinopium rafflesii</i> | | | NT |
| 141 | Picidae | Caladi batu | <i>Meiglyptes tristis</i> | | | |
| 142 | Picidae | Caladi badok | <i>Meiglyptes tukki</i> | | | NT |

| | | | | | | |
|-----|---------------|-------------------------|------------------------------------|---|------------|----|
| 143 | Picidae | Pelatuk kelabu-besar | <i>Mulleripicus pulverulentus</i> | | | VU |
| 144 | Picidae | Pelatuk ayam | <i>Dryocopus javensis</i> | | | |
| 145 | Picidae | Caladi belacan | <i>Dendrocopos canicapillus</i> | | | |
| 146 | Picidae | Caladi tilik | <i>Dendrocopos moluccensis</i> | | | |
| 147 | Picidae | Caladi tikotok | <i>Hemicircus concretus</i> | | | |
| 148 | Picidae | Pelatuk pangkas | <i>Blythipicus rubiginosus</i> | | | |
| 149 | Picidae | Pelatuk kundang | <i>Reinwardtipicus validus</i> | | | |
| 150 | Eurylaimidae | Madi kelam | <i>Corydon sumatranus</i> | | | |
| 151 | Eurylaimidae | Sempur-hujan sungai | <i>Cymbirhynchus macrorhynchus</i> | | | |
| 152 | Eurylaimidae | Sempur-hujan rimba | <i>Eurylaimus javanicus</i> | | | |
| 153 | Eurylaimidae | Sempur hujan darat | <i>Eurylaimus ochromalus</i> | | | NT |
| 154 | Eurylaimidae | Madi dada perak | <i>Serilophus lunatus</i> | | | |
| 155 | Eurylaimidae | Madi-hijau kecil | <i>Calyptomena viridis</i> | | | NT |
| 156 | Pittidae | Paok hujan | <i>Pitta moluccensis</i> | √ | | |
| 157 | Pittidae | Paok delima | <i>Pitta granatina</i> | √ | | NT |
| 158 | Pittidae | Paok hijau | <i>Pitta sordida</i> | √ | | |
| 159 | Pittidae | Paok pancawarna | <i>Pitta guajana</i> | √ | Apendiks I | |
| 160 | Hirundinidae | Layang-layang api | <i>Hirundo rustica</i> | | | |
| 161 | Hirundinidae | Layang-layang batu | <i>Hirundo tahitica</i> | | | |
| 162 | Campephagidae | Jingjing batu | <i>Hemipus hirundinaceus</i> | | | |
| 163 | Campephagidae | Jingjing petulak | <i>Tephrodornis gularis</i> | | | |
| 164 | Campephagidae | Kepudang-sungu Sumatera | <i>Coracina striata</i> | | | |
| 165 | Campephagidae | Kepudang-sungu kecil | <i>Coracina fimbriata</i> | | | |
| 166 | Campephagidae | Sepah padang | <i>Pericrocotus divaricatus</i> | | | |

| | | | | | | |
|-----|---------------|-----------------------|------------------------------------|--|--|----|
| 167 | Campephagidae | Sepah tulin | <i>Pericrocotus igneus</i> | | | NT |
| 168 | Campephagidae | Sepah hutan | <i>Pericrocotus flammeus</i> | | | |
| 169 | Aegithinidae | Cipoh jantung | <i>Aegithina viridissima</i> | | | NT |
| 170 | Aegithinidae | Cipoh kacat | <i>Aegithina tiphia</i> | | | |
| 171 | Chloropseidae | Cica-daun kecil | <i>Chloropsis cyanopogon</i> | | | NT |
| 172 | Chloropseidae | Cica-daun besar | <i>Chloropsis sonnerati</i> | | | |
| 173 | Chloropseidae | Cica-daun sayap-biru | <i>Chloropsis cochinchinensis</i> | | | |
| 174 | Pycnonotidae | Cucak mutiara | <i>Pycnonotus tympanistrigus</i> | | | NT |
| 175 | Pycnonotidae | Cucak sakit-tubuh | <i>Pycnonotus melanoleucos</i> | | | NT |
| 176 | Pycnonotidae | Cucak kuricang | <i>Pycnonotus atriceps</i> | | | |
| 177 | Pycnonotidae | Cucak kuning | <i>Pycnonotus melanicterus</i> | | | |
| 178 | Pycnonotidae | Cucak kelabu | <i>Pycnonotus cyaniventris</i> | | | NT |
| 179 | Pycnonotidae | Cucak kutilang | <i>Pycnonotus aurigaster</i> | | | |
| 180 | Pycnonotidae | Cucak rumbai-tungging | <i>Pycnonotus eutilotus</i> | | | NT |
| 181 | Pycnonotidae | Merbah cerukcuk | <i>Pycnonotus goiavier</i> | | | |
| 182 | Pycnonotidae | Merbah belukar | <i>Pycnonotus plumosus</i> | | | |
| 183 | Pycnonotidae | Merbah corok-corok | <i>Pycnonotus simplex</i> | | | |
| 184 | Pycnonotidae | Merbah mata-merah | <i>Pycnonotus brunneus</i> | | | |
| 185 | Pycnonotidae | Merbah kacamata | <i>Pycnonotus erythrophthalmos</i> | | | |
| 186 | Pycnonotidae | Empuloh leher-kuning | <i>Alophoixus finschii</i> | | | NT |
| 187 | Pycnonotidae | Empuloh ragum | <i>Alophoixus ochraceus</i> | | | |
| 188 | Pycnonotidae | Empuloh janggut | <i>Alophoixus bres</i> | | | |
| 189 | Pycnonotidae | Empuloh irang | <i>Alophoixus phaeocephalus</i> | | | |
| 190 | Pycnonotidae | Empuloh Paruh-Kait | <i>Setornis criniger</i> | | | VU |

| | | | | | | |
|-----|--------------|-------------------------|----------------------------------|--|--|----|
| 191 | Pycnonotidae | Brinji rambut-tunggir | <i>Tricholestes criniger</i> | | | |
| 192 | Pycnonotidae | Brinji mataputih | <i>Iole olivacea</i> | | | NT |
| 193 | Pycnonotidae | Brinji bergaris | <i>Ixos malaccensis</i> | | | NT |
| 194 | Pycnonotidae | Brinji kelabu | <i>Hemixos flava</i> | | | |
| 195 | Dicruridae | Srigunting gagak | <i>Dicrurus annectans</i> | | | |
| 196 | Dicruridae | Srigunting keladi | <i>Dicrurus aeneus</i> | | | |
| 197 | Dicruridae | Srigunting Sumatera | <i>Dicrurus sumatranus</i> | | | NT |
| 198 | Dicruridae | Srigunting batu | <i>Dicrurus paradiseus</i> | | | |
| 199 | Oriolidae | Kepudang hutan | <i>Oriolus xanthonotus</i> | | | NT |
| 200 | Oriolidae | Kepudang kerudung-hitam | <i>Oriolus xanthornus</i> | | | |
| 201 | Irenidae | Kacembang gadung | <i>Irena puella</i> | | | |
| 202 | Corvidae | Tangkar ongklet | <i>Platylophus galericulatus</i> | | | NT |
| 203 | Corvidae | Tangkar kambing | <i>Platysmurus leucopterus</i> | | | NT |
| 204 | Corvidae | Gagak hutan | <i>Corvus enca</i> | | | |
| 205 | Corvidae | Gagak kampung | <i>Corvus macrorhynchos</i> | | | |
| 206 | Paridae | Gelatik-batu kelabu | <i>Parus major</i> | | | |
| 207 | Sittidae | Munguk beledu | <i>Sitta frontalis</i> | | | |
| 208 | Timaliidae | Pelanduk topi-hitam | <i>Pellorneum capistratum</i> | | | |
| 209 | Timaliidae | Pelanduk dada-putih | <i>Trichastoma rostratum</i> | | | NT |
| 210 | Timaliidae | Pelanduk merah | <i>Trichastoma bicolor</i> | | | |
| 211 | Timaliidae | Pelanduk ekor-pendek | <i>Malacocincla malaccensis</i> | | | NT |
| 212 | Timaliidae | Pelanduk semak | <i>Malacocincla sepiaria</i> | | | |
| 213 | Timaliidae | Pelanduk Asia | <i>Malacocincla abbotti</i> | | | |
| 214 | Timaliidae | Asi kumis | <i>Malacopteron magnirostre</i> | | | |

| | | | | | | |
|-----|--------------|----------------------|--------------------------------|--|--|----|
| 215 | Timaliidae | Asi topi-jelaga | <i>Malacopteron affine</i> | | | NT |
| 216 | Timaliidae | Asi topi-sisik | <i>Malacopteron cinereum</i> | | | |
| 217 | Timaliidae | Asi besar | <i>Malacopteron magnum</i> | | | NT |
| 218 | Timaliidae | Asi dada kelabu | <i>Malacopteron albogulare</i> | | | NT |
| 229 | Timaliidae | Cica-kopi Melayu | <i>Pomatorhinus montanus</i> | | | |
| 220 | Timaliidae | Berencet loreng | <i>Kenopia striata</i> | | | NT |
| 221 | Timaliidae | Berencet besar | <i>Turdinus macrodactylus</i> | | | NT |
| 222 | Timaliidae | Tepus dahi-merah | <i>Stachyris rufifrons</i> | | | |
| 223 | Timaliidae | Tepus kepala-kelabu | <i>Stachyris poliocephala</i> | | | |
| 224 | Timaliidae | Tepus tungging-merah | <i>Stachyris maculata</i> | | | NT |
| 225 | Timaliidae | Tepus telinga-putih | <i>Stachyris leucotis</i> | | | NT |
| 226 | Timaliidae | Tepus kaban | <i>Stachyris nigricollis</i> | | | NT |
| 227 | Timaliidae | Tepus lurik | <i>Stachyris striolata</i> | | | |
| 228 | Timaliidae | Tepus merbah-sampah | <i>Stachyris erythroptera</i> | | | |
| 229 | Timaliidae | Ciung-air coreng | <i>Macronous gularis</i> | | | |
| 230 | Timaliidae | Ciung-air pongpong | <i>Macronous ptilosus</i> | | | NT |
| 231 | Timaliidae | Wergan coklat | <i>Alcippe brunneicauda</i> | | | NT |
| 232 | Eupetidae | Sipinjur Melayu | <i>Eupetes macrocerus</i> | | | NT |
| 233 | Turdidae | Cingcoang coklat | <i>Brachypteryx leucophrys</i> | | | |
| 234 | Turdidae | Anis merah | <i>Zoothera citrina</i> | | | |
| 235 | Turdidae | Anis kuning | <i>Turdus obscurus</i> | | | |
| 236 | Muscicapidae | Berkecet biru | <i>Luscinia cyane</i> | | | |
| 237 | Muscicapidae | Kucica kampung | <i>Copsychus saularis</i> | | | |
| 238 | Muscicapidae | Kucica hutan | <i>Copsychus malabaricus</i> | | | |

| | | | | | | |
|-----|--------------|---------------------------|---------------------------------|--|--|----|
| 239 | Muscicapidae | Kucica ekor-kuning | <i>Trichixos pyrrhopygus</i> | | | NT |
| 240 | Muscicapidae | Meninting kecil | <i>Enicurus velatus</i> | | | |
| 241 | Muscicapidae | Meninting cegar | <i>Enicurus ruficapillus</i> | | | NT |
| 242 | Muscicapidae | Meninting besar | <i>Enicurus leschenaulti</i> | | | |
| 243 | Muscicapidae | Sikatan-rimba dada-coklat | <i>Rhinomyias olivaceus</i> | | | |
| 244 | Muscicapidae | Sikatan-rimba dada-kelabu | <i>Rhinomyias umbratilis</i> | | | NT |
| 245 | Muscicapidae | Sikatan sisi-gelap | <i>Muscicapa sibirica</i> | | | |
| 246 | Muscicapidae | Sikatan bubik | <i>Muscicapa dauurica</i> | | | |
| 247 | Muscicapidae | Sikatan hijau-laut | <i>Eumyias thalassinus</i> | | | |
| 248 | Muscicapidae | Sikatan emas | <i>Ficedula zanthopygia</i> | | | |
